SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. § 1.97(D)

Enclosed herewith is form PTO-SB-08, listing several references. A copy of each of the non-U.S. patent references is enclosed. The Examiner is requested to make these references of official record in this application. The references cited may be material to examination of the application and are submitted in compliance with Applicant's duty of disclosure as defined by 37 C.F.R. § 1.56. No representation is made or intended as to the completeness of this list, nor is the inclusion of any reference on this list an

admission that it is prior art or pertinent to this application. This statement is submitted in accordance with 37 C.F.R. § 1.97(d) in that a notice of allowance was issued January 30, 2007 but the issue fee corresponding to that notice has not yet been paid.

The Applicant submits herewith the requisite statement under 37 C.F.R. § 1.97(e) in that each item of information contained in the present disclosure statement was first cited in a communication from a foreign patent office in a counterpart application and made available to the Applicant not more than three months prior to the filing of the present information disclosure statement and/or that no item of information contained in the present disclosure statement was known to an individual designated under 37 C.F.R. § 1.56(c) more than three months prior to the filing of the present disclosure statement.

The fee required by 37 C.F.R. § 1.17(p) was previously authorized to be charged to Deposit Account 06-0600 in a similar submission dated March 19, 2007. While the Applicant believes the Rule 17(p) fee need not be assessed a second time, the Applicant has previously submitted form PTO-SB-17 authorizing the payment of any fees due under 37 C.F.R. § 1.16 and 37 C.F.R. § 1.17 to the aforementioned deposit account. That authorization remains outstanding and is reaffirmed herewith.

Respectfully submitted,  
Masayuki Chatani
